Thanks Gary;

I reviewed your e-mail and monthly report. I really don't have any comments about TRC's proposal to move wastes/rainwater, however, I would appreciate either you or TRC contacting our TCEQ Region Office prior to on-site activities such as this. I was wondering if TRC was conducting the RI/FS or EPA. The monthly report didn't make that clear and also noticed the Org. Chart doesn't have any reference to the TCEQ.

Please keep me posted on activities conducted at the site, thanks.
